## About this Course

Successful completion of this course results in nationally recognised Unit of Competency PUAFER008 - Confine Small Emergencies in a Facility.

This unit of competency involves the skills and knowledge required to confine small emergencies in a facility and it applies to occupants who are required to have first attack firefighting skills. It includes preparing for emergency situations, identifying and assessing an emergency, safely confining emergencies, using initial response equipment and reporting on the facility's emergency response.

Small emergencies in a facility include incidents such as small fires that can be controlled using a fire extinguisher; chemical spills that can be controlled using facility personal protective clothing and equipment and a spill kit; or a vehicle accident where there is no significant injury or damage.

## What is covered in the course?

You will gain the following knowledge:

- Preparing for emergency situations
- Identifying and assessing emergency
- Safely confining emergencies
- Using initial response equipment

## People who need this Unit of Competency include:

- People attending a facility on a permanent or temporary basis such as an employee, contractor, student or resident, who may be required to confine small emergencies in that facility.
- People who wish to undertake emergency response training

You will only be admitted if you meet the following prerequisites:

- Can ask questions to clarify instructions
- Are able to listen to instructions to identify key safety information

Once you have enrolled into this course then you will receive a user name and login details. These details will be used to access your course which includes:

1. Learning presentations
2. Multiple choice and written questions
3. A practical assessment

# Delivery Mode

## Face to Face

This is a face to face course. To complete this course face to face, participants will need to undertake the following:

- Attendance for half a day of training (4 hours)
- Participation in a range of learning activities
- Complete a set of multiple choice and short answer questions based on the course content
- Successfully undertake a final assessment once they have participated and met all the course requirements for the day.

## Outcome

Successful completion of this course results in nationally recognised Unit of Competency

**PUAFER008 - Confine Small Emergencies in a Facility.**

## Career Pathways

Once completed, successful participants can further their skills and knowledge by undertaking full qualifications such as PUA31422 Certificate III in Public Safety (Community Safety).

PLEASE NOTE: Most people will not have any additional fees. As with all courses, there are terms and conditions covering additional training, reassessment, and cancellations/rescheduling. Please refer to these on our website.

## RE ASSESSMENT, COMPLAINTS AND APPEALS

Our trainers have the experiences, abilities and training to effectively assist you in your course by providing well designed training and assessment. During your training you will receive feedback about your performance including suggestions where required. You will also be informed if you are doing exceptionally well!

During training if you or your trainer feels that you require additional support, then there are options to assist you, i.e. extended duration of your course.

If you have a complaint about the course, our trainer/assessors or anything else, then we also have an effective complaints procedure, which can also be viewed on our website.

## WHAT DO I NEED TO BRING?

- Wear long pants, a long sleeve shirt and closed shoes (preferable hard caps)

## ENROLMENT

Enrolling into this course requires that you complete our enrolment form and provide sufficient identification. Once you have enrolled, then you will receive your precourse login.

## FEES, CHARGES, TERMS AND CONDITIONS

For current fees, charges, terms and conditions - please visit our website or contact our office for a copy.
